Thursday, April 28th, 2022

Lifetime Achievement Award

RON STEIMEL

Senior Vice President, Catholic Health

Ron Steimel has been an integral part of Catholic Health for the past 22 years, beginning his career at St. Catherine of Siena Medical Center in April of 2000 as the Vice President of Finance. In September of 2006, Ron was promoted to Chief Operating Officer and Vice President of Finance at Mercy Medical Center. Ron remained in that role until October of 2015, at which time he was asked to mirror the transformation he and his team made at Mercy to St. Joseph Hospital, where he served as Executive Vice President and Chief Administrative Officer. In December of 2015, Ron returned to Mercy as Executive Vice President and Chief Administrative Officer while maintaining his role at St. Joseph Hospital. Ron was able to continue the successful transformation at both campuses in areas of quality, safety, physician recruitment and integration, patient engagement,

along with numerous capital improvement projects. In February of 2017, after serving at St. Joseph Hospital for two years, Ron was asked to focus his full leadership efforts solely at Mercy Medical Center. In the fall of 2018, recognizing his many talents would be better served at the corporate level, Ron was asked to transfer to the corporate offices and serve as the Senior Vice President for Business Development for Catholic Health.

Ron is a long-time member of the Friends of Mercy and was honored at the 2014 Friends of Mercy Golf Classic and 2018 St. Patrick's Gentlemen's Dinner where his endless support was recognized. He also went on to receive the Sister Mary Nadine Casey, CIJ Award at the Friends of Mercy Ball in 2015.

Ron received his Bachelor's degree in Accounting in 1985 from the State University of New York at Oneonta and went on to further his education by earning a Master's of Business Administration in Taxation from St. Johns University in 1999.

Ron has served on the board of Rotacare since 2011 and supports many other institutions, including Kellenberg Memorial High School, the Oceanside Knights of Columbus and St. Anthony's Church.

Ron was born and raised in Oceanside and still resides there today with his wife Susan and their two sons, Tyler and Ryan. Over the years, Ron has coached many children in the community in roller hockey, including his own sons, and has been the treasurer of Oceanside Stallions Roller Hockey since 2005.

CAREGIVERS' BALL

honoring

Lifetime Achievement Award

RON STEIMEL
Senior Vice President
